The Steelhead Pickle

Hook Alec Jackson 1.5 - 7 Black or Silver
Thread Veevus Black 6/0
Tail - Brown Spanflex
Body - Small Brown and Black Ultra Chenille twisted and wrapped forward
Legs - Brown Spanflex
Collar - Natural Guinea
Swords - Natural Amherst
Antenna - Brown Spanflex

This pattern is often used with dry lines or light tips....However, it can be fished deep.

The Pickle on a long line and leader quartered down can be deadly in 'Picky' conditions.
