

THE KVICHAK RIVER (Pronounced- Queejack)

Contact jack@theeveninghatch.com 509.859.2280 or
chris@motivfishing.com 541.743.1303

The Kvichak River, one of Alaska's premier destination trout and salmon rivers. Our focus are the trout. It is our hope that your stay with us is one that creates life long memories!

Amazing fishing with aggressive and the hardest fighting pound for pound freshwater fish on the North American continent...seriously!

WHERE IS THE KVICHAK? The Kvichak is the outlet river of lake Iliamna in western Alaska. Lake Iliamna is Alaska's largest lake and the Kvichak drains into Bristol Bay

WHEN IS THIS TRIP OFFERED and WHY? We offer this trip Sept 18 – Oct 18 By this time the pressure is LIGHT and although multiple tactics will work, the swing fishing is the focus!

HOW TO GET THERE? Fly Into Anchorage and from Anchorage we will arrange a charter flight
